

YOUTH WING RENOVATION PROJECT

TRANSFORMING LIVES THROUGH PRACTICAL SKILLS
AND COMMUNITY INVOLVEMENT : DIY TRAINING PROJECT

PROJECT OVERVIEW

A Creative Cluster of Loft Studios @ VTOC Level 6

This renovation project at the YWCA Vocational Training Opportunity Centre (VTOC) aims to empower a group of underprivileged young women through hands-on skills building, via the transformation of 3 damaged VTOC hostel units into vibrant and livable spaces.

A group of specialist volunteers shall educate VTOC students in a diverse set of practical skills, such as DIY, maintenance and renovation, enabling them to be self-reliant while expanding employment opportunities in industries such as interior renovation.

About Youth Wing

Youth Wing is a group of creatives who uplift youth, particularly underprivileged young women from the YWCA Vocational Training Opportunity Centre (VTOC) through upcycling projects, skills-building, and social enterprise. To find out more about our work, check out our notable projects including the *Y3K: Dreamworlds Immersive Exhibition* at the Klang River Festival 2023, the Spirit of Things music video featured as part of the Mekong Cultural Hub in collaboration with Project SEA*5 in 2021, and *The Rogue Festival* as part of Urbanscapes 2019, at www.ywcakl.org.my

About the YWCA Vocational Training Opportunity Centre (VTOC)

The VTOC is a project of the YWCA of Kuala Lumpur. Established in 1998, it provides vocational skills training for young women and girls from the economically disadvantaged sectors of our community, irrespective of ethnicity, religion, social and cultural differences.

From 1998 to 2024 the VTOC has trained over 1,800 young women in the following courses:

- Early Childhood Education
- Fashion & Tailoring
- Culinary & Bakery
- Health Care
- Hairdressing & Beauty Care

The VTOC provides holistic development for the trainees through training in areas such as entrepreneurship, financial literacy, health, creativity and self-determination.

HOW YOU CAN HELP

FINANCIAL SUPPORT

Make a donation to the project for purchasing materials & equipment

ITEM SPONSORSHIP

Sponsor needed items or make an equivalent donation of the items

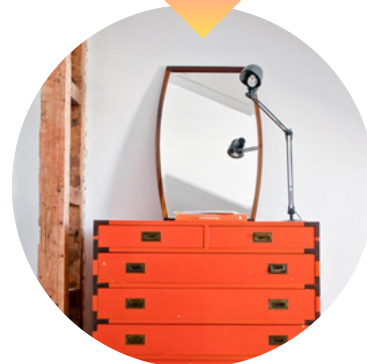

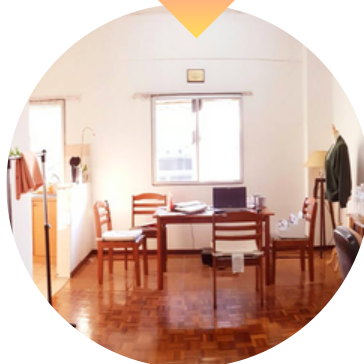

BE A DIY TRAINER OR VOLUNTEER

Volunteer to be a DIY Trainer or volunteer

CREATIVE VISION

Through community participation, volunteerism and youth-building, the 3 damaged studio units shall be transformed into livable and vibrant spaces for youth at the VTOC Hostel. These spaces may be rented out in future and the income shall help to fund the vocational training programs of the VTOC.

FINANCIAL SUPPORT

Your monetary contributions will directly fund the purchase of materials and tools needed for the renovation. Each donation shall receive a token of appreciation from the YWCA/VTOC community. We welcome donations in the following amounts:

- **RM 100** (Handmade fabric face mask)
- **RM 500** (Handmade pouch)
- **RM 1,000** (Handmade tote bag)
- **RM 2,000** (Jersey)
- **RM 3,000** (Jersey + Embroidered medal)
- **RM 5,000** (Plaque with name)
- Any amount

You may also sponsor items as per the table below.

HOW TO DONATE & SPONSOR

- 1 Click on this Google Link & key in your donation details:
<https://forms.gle/8XCVdAkHrVbE8BN9>
- 2 Donate via online bank transfer using the bank details provided & upload the transaction slip under the "Transaction Slip Upload Section"

IMPORTANT: Your name & the code "L6 DIY" must be written in the transaction slip reference field so the VTOC will know the donation is intended for this project.

Tax Exemptions for Donations:

- Tax-exempt receipts are available for cash donations above RM 250.00 for individuals, and RM 500.00 for companies.
- Ensure you receive an official tax exemption receipt by providing your full name, mailing address & email address in the Google Form.

Costs are based on estimation only. If you have doubt, please contact +60123931225 for more information

SIGN UP AS A VOLUNTEER OR WORKSHOP LEADER!

We are also in need of skilled professionals and volunteers to help guide and execute the renovation, as well as hold workshops to teach practical skills to the students.

Experts:

- Contractor: To oversee the project
- Plumber: For water supply and waste systems
- Electrical Foreman: For electrical installations and repairs
- Tile Laying Experts: For precise tile work
- Carpenter: For constructing and repairing wooden structures

General Volunteers:

- Assist with cleaning, demolition (hacking), and installation tasks
- Conduct workshops to teach practical skills to students

Workshop Leaders:

- Businesses or individuals to hold workshops for students, covering topics such as DIY skills, building maintenance skills, business skills, and personal development

WORKSHOP TOPICS

1. Introduction to DIY Skills and Safety

- Objective: Familiarize students with basic tools and safety practices
- Duration: 1-2 hours
- Introduction to basic tools, safety measures, proper handling techniques

2. Home Maintenance Basics

- Objective: Teach basic home maintenance tasks
- Duration: 2-3 hours
- Basic plumbing (fixing leaks), simple electrical repairs (replacing light bulbs), mold removal techniques

3. Tiling and Flooring

- Objective: Equip students with basic tiling and flooring skills
- Duration: 2-4 hours
- How to lay tiles, repair flooring, and use tiling tools

4. Painting and Decorating

- Objective: Teach painting and decorating techniques
- Duration: 2-3 hours
- Surface preparation, choosing paints, applying paint, basic decorating tips

5. Furniture Refurbishing

- Objective: Show how to refurbish and upcycle furniture
- Duration: 2-4 hours
- Sanding, painting, reupholstery, upcycling techniques

6. Project Planning and Management

- Objective: Teach project planning and management skills
- Duration: 1-2 hours
- Time management, resource allocation, project tracking

7. Advanced Carpentry

- Objective: Provide advanced carpentry skills
- Duration: 3-4 hours
- Building and repairing wooden structures, safe use of power tools

8. Motivational and Empowerment

- Objective: Build confidence & self-reliance
- Duration: 1-2 hours
- Content: Motivational talks, exploring career pathways, success stories, and benefits of completing DIY projects

HOW TO SIGN UP

Email us at youthwing.ywcak@gmail.com and let us know which area you are keen to participate in!

Our team shall contact you within 2 weeks.

Closing date for signup : 15 November 2024

PROJECT TIMELINE

Phase 1: Planning and Engagement (Sept - Nov 2024)

Finalize proposal, draft design, and fundraising plan
Secure approvals, engage stakeholders, and start fundraising
Raise RM 12,000 to RM 15,000 per studio for materials, etc.
Promote through YWCA channels and networks

Phase 2: Preparation and Education (Nov - Jan 2025)

Finalize partnerships, purchase materials, schedule workshops
Begin cleanup and foundational workshops with students and volunteers

Phase 3: Renovation and Learning (Jan 2025 - Jun 2025)

Conduct workshops and renovation in stages
Apply and refine skills in practical tasks

Phase 4: Completion and Evaluation (Jun - Jul 2025)

Finish renovations, prepare rentals
Host showcase event, evaluate impact

Phase 5: Reflection and Future Planning (mid of July 2025)

Collect feedback, analyze performance, plan future projects

YOUR SUPPORT MATTERS

By contributing to this project, you will be directly impacting the lives of young women, empowering them with skills and confidence to build a better future. Whether through financial support or item sponsorship, your help will make a significant difference.

Together, we can transform lives and build a brighter future.
